## Fun in the Sun

### Kidsland Summer Program 2017

June 12<sup>th</sup> – September 1<sup>st</sup>

## Kidsland Montessori Preschool

9477 North Territorial Road

Dexter Michigan 48130

Phone: (734) 424-0113

Email: [kidsland@kidskandcare.com](mailto:kidsland@kidskandcare.com)

Web: [www.kidslandcare.com](http://www.kidslandcare.com)

**Week 1**  
**June 12-16**

“Mary, Mary, Quite Contrary, How does your Garden Grow?”

Learn different kinds of plants and flowers, plant a school flower and vegetable garden to care for, watch it grow and get cuttings from it all summer.

**Week 2**  
**June 19-23**

“Lady Bug Lady bug, fly away home”

Get ready to learn all about lots of creepy, crawly bugs.

Learn their body parts, create your own bug creation, and look at bugs up really close and personal!

**Week 3**  
**June 26-30**

Sports

Learn all about the Olympic games while trying out new sports such as soccer, and track and field.

Week ends with our very own mini-Olympics

**Week 4**  
**July 3 –July 7**

“Beach Party/ Camping U.S.A.”

Bring bathing suits, towels sunglasses, sunscreen, and water toys and have fun and play games outside during this shortened week due to the 4<sup>th</sup> of July holiday.

No school on Tuesay, July 4<sup>th</sup> to celebrate Independence Day! Enjoy your Holiday!

**Week 5**  
**July 10-14**

“Up, Up, and Away into Space”

Learn about the planets, and other things in Space. What is a star? What is an asteroid?

Can you imagine living on another planet?

**Week 6**  
**July 17-21**

“Wonder Pets”

Find out about service pets, what they are and how they help people in need.

Learn about how to care for traditional pets at home.

No pets for you? Create an imaginary pet, and decorate a pet rock to take home!

**Week 7**  
**July 24-28**

“Back to Earth”

Investigate the continents on the Earth, and what forces above and below the Earth made them the size and shape that they are.

Learn what forces keep changing their shape!

**Week 8**  
**July 31- Aug 4**

“Become a Scientist”

Learn how to look at things like a scientist... what questions to ask, the scientific process... experiment with science materials and discover a whole new world of ideas!

**Week 9**  
**Aug 7-11**

Around the world in 5 days

Get your passports ready and climb aboard the Concord as we take a whirlwind tour with stops on each of the 7 continents.

At each destination we will learn a bit about what the people there do and eat,

what animals live there, what languages they speak and what kind of weather to expect there.

**Week 10**  
**Aug 14-18**

“Nature all around us”

Go on nature walks; use your senses to discover the world around us.

Students will produce works of art and dictate words to teachers to describe what they find in nature.

**Week 11**  
**Aug 21-25**

“Yummy in my Tummy”

Use vegetables and herbs from the garden we planted at the beginning of the summer to make salsa, pizza and banana muffins. Use fresh fruits to make apple sauce, apple salad, pineapple-carrot jello, and berry pie.

Parents and students are invited to an end of the summer picnic to enjoy the food the students made on Friday, August 18<sup>th</sup> at 5pm(tentative).

**Week 12**  
**Aug 28- Sep 1**

“Big, Beautiful Art”

Take part in arts and crafts projects that include all the students. Come see just how creative we can be when we all work together. Use a variety of mediums to express ourselves on a large scale.

“Back to School”

Montessori classroom orientation week for new and returning students

KIDSLAND

Remember, No school on Monday, September 4<sup>th</sup> for Labor Day. Enjoy your day off!
